§ 4284.656 Reporting.

(a) A Financial Status Report (available in any Agency office) and a project performance activity report will be required of all grantees on a quarterly basis. The grantee will cause said program to be completed within the total sums available to it, including the grant, in accordance with the scope of work and any necessary modifications thereof prepared by grantee and approved by the Agency. A final project

performance report will be required with the final Financial Status Report. The final report may serve as the last quarterly report. The final report must provide complete information regarding the jobs created and saved as a result of the grant. Grantees shall constantly monitor performance to ensure that time schedules are being met, projected work by time periods is being accomplished, and other performance objectives are being achieved. Grantees are to submit an original of each report to the Agency. The project performance reports shall include, but not be limited to, the following:

(1) A comparison of actual accomplishments to the objectives established for that period;

(2) Problems, delays, or adverse conditions, if any, which have affected or will affect attainment of overall project objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular project work elements during established time periods. This disclosure shall be accompanied by a statement of the action taken or planned to resolve the situation; and

(3) Objectives and timetable established for the next reporting period.

(b) Within 1 year after the conclusion of the project, the grantee will provide a project evaluation report based on criteria developed in accordance with §§ 4284.621(c) and 4284.638(a)(2)(v).

(c) The Agency may also require grantees to prepare a report suitable for public distribution describing the accomplishments made through the use of the grant and, in the case where the grant funded the development or application of a “best practice,” to describe that “best practice.”

(d) The grantee will provide for Financial Management Systems which will include:

(1) Accurate, current, and complete disclosure of the financial result of each grant.

(2) Records which identify adequately the source and application of funds for grant-supporting activities, together with documentation to support the records. Those records shall contain information pertaining to grant awards
